

WAUKESHA FOUNDRY

A United Stars Company

Policy Statement on Conflict Minerals

Waukesha Foundry, Inc. is committed to providing quality products to our customers safely, and without detrimental impact to the environment. Waukesha Foundry, Inc. ensures safety and environmental regulations are met to the highest standards, including following the Dodd-Frank Act of 2010 regarding conflict minerals.

Waukesha Foundry, Inc. requires all its suppliers of tin, gold, tantalum, or tungsten to provide documentation that their product does not originate from Central Africa, specifically the Democratic Republic of the Congo and adjoining countries.

Waukesha Foundry completes EICC-GeSI requests by customers thoroughly and promptly to demonstrate compliance with the Dodd-Frank Act of 2010.
